Inspiring others through the therapeutic, relaxing, rejuvenating and confidence boosting powers of musical performance – we provide a variety of services whether that be as part of an in-house programme or at our Billingsgate Arts Centre – enabling busy professionals to enjoy music and dance opportunities.

We also bring together employees of city firms, school children and professional musicians by facilitating and producing fundraising musical performances in some of the UK's most prestigious venues.

For more information about the CMS Arts Centre in Billingsgate, how to get involved in a production, set up an in-house programme or join our choir – get in touch!
